The Last Forest Fairy

Ralf Uhl

Description - The Last Forest Fairy

NE

Ze zijn lang, lang geleden verdwenen. Echter, hoog in het noorden, waar de bossen nog groot en onberoerd zijn, daar vertellen de oudsten elkaar dat er nog een kleine bosel moet zijn - een boself! Als hoedster van de natuur is dit magische schepsel altijd op zoek naar planten en dieren, die haar hulp nodig hebben. Maar ze is altijd al een doorn in het oog geweest van de donkere krachten en daarom willen zij de laatste boself eindelijk te pakken krijgen. Of het hun dit keer gaat lukken...?

DU

Sie sind schon vor langer, langer Zeit verschwunden. Doch hoch oben im Norden, wo die Wälder noch weit und unberührt sind, dort erzählen sich die Alten, dass es noch eine geben soll - eine Waldelfe! Als Hüterin der Natur ist dieses magische Geschöpf immer auf der Suche nach Pflanzen und Tieren, welche ihrer Hilfe bedürfen. Doch den dunklen Mächten ist sie seit jeher ein Dorn im Auge und so wollen sie der letzten Waldelefte endlich habhaft werden. Ob es ihnen dieses Mal gelingen wird...?

EN

The fairies have disappeared from the world - a long time ago. But according to old lore, in the largeforests far north untouched by man and shielded from the sun by the forest canopy, there lives one last fairy. This small magical creature roams the woodlands and open fields, protecting plants and animals from evil. This deeply angers the dark forces. Again and again they try to catch the last Forestfairy. Will they succeed this time? Musical piece with strong percussion section and nature effects.

FR

Ils ont disparu il y a très, très longtemps. Mais dans les hauteurs du nord, où les forêts sont encore vastes et intactes, les anciens racontent qu'il en resterait un - un elfe des forêts ! En tant que gardienne de la nature, cette créature magique est toujours à l'affût des plantes et d'animaux qui ont besoin de son aide. Mais elle a toujours été une épine dans le pied des puissances des ténèbres et elles veulent donc enfin mettre la main sur le dernier Elf des bois. Réussiront-elles cette fois-ci... ?

Programmatic notes

The last Forest Fairy

The fairies have disappeared from the world - a long time ago. But according to old lore, in the large forests far north untouched by man and shielded from the sun by the forest canopy, there lives one last fairy. This small magical creature roams the woodlands and open fields, protecting plants and animals from evil. This deeply angers the dark forces. Again and again they try to catch the last Forest Fairy. Will they succeed this time?

Instrumental notes

At the beginning the use of nature sound instruments like water whistle and chirping bamboo are highly recommended. Combined with bird whistles and wooden frogs a very mystical atmosphere can be created. (also T.50 - T.58, T.112 - T.124 and T.253 - T.270)

Soprano Choir:

There are cues in almost all instruments so you can let the tenor sing. You can choose and combine with instruments to your liking. Recommended instrument colla voce!

Programm The last Forest Fairy

Jedes Kind weiß es, sie sind schon vor langer, langer Zeit verschwunden. Doch hoch oben im Norden, wo die Wälder noch weit und unberührt sind und wo das Licht der Sonne nur spärlich den Boden berührt, dort erzählen sich die Alten, dass es noch eine geben soll – eine Waldfée! Als Hüterin der Natur durchstreift dieses kleine, magische Geschöpf nicht nur das endlose Dickicht des Waldes, sondern auch Flüre und Auen, immer auf der Suche nach Pflanzen und Tieren, welche ihrer Hilfe bedürfen. Doch den dunklen Mächten ist dieses Geschöpf seit jeher ein Dorn im Auge, und immer wieder versuchen sie, die Waldfée endlich habhaft zu werden. Ob es ihnen dieses Mal gelingen wird...?

Hinweise zur Instrumentation

Am Beginn wird die Verwendung von Naturklanginstrumenten wie eine Wasserpfeife oder einen Zwitschernden Bambus empfohlen. Im Zusammenspiel mit Vogelrufen und Holzfröschen kann einfach eine mystische Atmosphäre erzeugt werden. (ebenso T.50 - T.58, T.112 - T.124 und T.253 - T.270)

Sopran-Chor:

In nahezu allen Stimmen sind Stichnoten eingetragen, so dass nach dem ersten Abschnitt die Musikerinnen singen (Vokale „Ahh“) können oder ein Instrument nach Belieben eingespielt werden kann. Empfehlung: nur Gesang ohne colla voce Instrumente.
